One of our favorite winter recipes:

Spinach Balls

2 pkgs frozen chopped spinach thawed and drained

- 1 1/2 cup Pepperidge Farm stuffing
- 3 cups chopped onion sautéed in 1 cup butter
- 6 eggs beaten
- 1 cup parmesan cheese

Mix all ingredients well. Mold into balls and freeze on cookie sheet. Once frozen, they can be stored in a ziploc bag until you are ready to bake and serve.

Place ball on thick tomato slice. Bake 20-30 minutes at 350.
